

2012 ITRC  
**Spring**  
**Membership Meeting**

**March 4-7**  
**Salt Lake city, Utah**

## **Logistics – Reserve your room by February 11**

All ITRC and DOE meetings will be held at the Hilton Salt Lake City Center. A block of rooms is being held for ITRC until **February 11**. Please call (800) HILTONS [(800) 445-8667] by February 11 to reserve a room, and be sure to say you're with the ITRC group.

## **Travel Information**

The Hilton Salt Lake City Center is located in the heart of downtown Salt Lake City. The hotel is just seven miles from Salt Lake City International Airport, which is served by Delta, Southwest, and other major airlines. A variety of shuttle services run from the airport to downtown for \$6 each way. A taxi typically costs \$15. The local per diem rate for meals is \$40.

## **To Register**

All participants must register online at [www.itrcweb.org](http://www.itrcweb.org). Click on "Conferences." ITRC also must receive a completed membership form for all registrants (with the exception of POCs). Please register by February 28.

## **For More Information**

- For updates on the ITRC Spring Membership meeting, refer to [www.itrcweb.org](http://www.itrcweb.org).
- Log on to [www.saltlake.org](http://www.saltlake.org) to learn more about the what you can do during your off hours in Salt Lake City.
- You can find information about the Hilton Salt Lake City Center online at [www.hiltonhotels.com](http://www.hiltonhotels.com).

**Reserve your hotel  
by February 11!**

# March 4-7 • Salt Lake City, Utah

## You

are invited to ITRC's Spring Membership Meeting. 2002 technical teams will meet to work on their team activities planned for this year. In addition, there will be a special orientation for members new to ITRC. Please note that this meeting is for *members only*. You are welcome to join! Please read ITRC Membership, below, to find out how.

### DOE Meetings

ITRC's Spring Membership Meeting offers a special opportunity for ITRC members to interact with members of the DOE technology community. The Spring Membership Meeting is being held in conjunction and collocated with the mid-year reviews of DOE's Subsurface Contaminants and Deactivation and Decommissioning Focus Areas. The Focus Areas have extended an invitation to ITRC members to attend their sessions. Watch for more details about the DOE meeting agendas on the ITRC Web site at [www.itrcweb.org](http://www.itrcweb.org).

### ITRC Membership

ITRC's Spring Membership Meeting is for *members only*. ITRC technical teams are open to new members from state and federal agencies, the private sector, and tribal and citizen stakeholders willing to provide substantive input and commit 10% of their time to team activities. To sign up for a 2002 ITRC team, please use the membership form on ITRC's Web site (under "About ITRC") or use the form recently sent in the Quarterly Update. Please fax all signed membership forms to (202) 624-3666.

### The 2002 technical teams are:

- |                                   |                               |  |
|-----------------------------------|-------------------------------|--|
| Alternative Landfill Technologies | Diffusion Samplers            | Radionuclides                              |
| Brownfields                       | DOE Gate 6 Technologies       | Remedial Process Optimization              |
| Constructed Wetlands              | In Situ Bioremediation        | Sampling, Characterization, and Monitoring |
| Contaminated Sediments            | MTBE-Contaminated Groundwater | Small Arms Firing Range                    |
| Dense Nonaqueous Phase Liquids    | Permeable Reactive Barriers   | Unexploded Ordnance                        |

## Preliminary Schedule

MON.

TUES.

WED.
